# **Trumpet Diatonics ©**

*a poetic training in coordination*

Trumpet Diatonics © is a poetic training in the coordinations required to build skill. My method orders the ears to hear the choreography within the cadences of tonality. The practices prescribed in this volume are deliberately graded to protect the musician from mental fatigue and physical injury. Trumpet Diatonics © orders technical advancement, while maintaining a prodigious emphasis on developing a clear aural literacy.

## **Heart, Mind, Bell ©**

My Mission has always been the same; *uplift* through music, the *creation* of community, and *elevation* through excellence in education and performance.

### **A Community of Excellence in Music: Experience, Experience**

Experience the Flow of Musical Intention as We Practice Together  
Learn Awareness through Musical Performance  
Share and Create a Communal Repertoire

#### **Practice**

The goal of practice is to learn to recognize and accept through repetition, in order to unapologetically perform your unique conception with genuine abandonment in the purest honest expression so that music arrests your complete attention, captivating true devotion to your own talent, artistic inspirations, and developing abilities.

#### **Attitude**

Learning a new skill requires an attitude of courage. Courage requires a persistent devotion to a defined goal, consistent discipline, inspired curiosity, knowledgeable creativity, and unwavering faith in your abilities. Courage is exciting because it attests to a hope in an unknown. Courageous repetitions manifest exponential growth, realize deep understanding, and awaken lasting confidence.

#### **Views to Mastery**

Trumpet Diatonics © builds skill. Skill is coordination. Coordination is acquired through repetition ordered by the ear. Without a thorough and certain aural concept of the sounds to be performed, developing motor-skills will be disorganized and executed in uncertainty. Trumpet Diatonics © specifies “12 Views to Mastery” that stimulate the mind, command attention, focus the ears, and coordinate the body through deliberate repetition. These twelve perspectives offer a thorough practice guide to musical cognition and physical response.

## **Tonality**

It is our very nature to hear within a diatonic tonal reference. These 28 Lessons have been composed in an effort to build technical skill directed by the pupil's natural fluency of aural cognition; where the entire body is coordinated by the innate vividness of the musician's aural imagination. These Lessons address the Major, Natural Minor, Harmonic Minor, Melodic Minor, Chromatic and Whole Tone tonalities.

## **Tonality's Choreography**

There is a Choreography to Tonality in Western Music which is dependent on Chromaticism, the Equal Tempered Twelve-Tone Octave. Two semi-tones make a whole-tone. Tonality is expressed with specific combinations of these two intervals as they cadence within the octave. Each and every person shares a common relationship to tonality. Musical communication would not be possible otherwise. It is our nature to hear resolutions within a diatonic tonal reference. All the repertoire contained within Trumpet Diatonics © has been composed to this specific end; to build technical skill coordinating freedom under the mandate and primacy of the ear through the mastery of tonal literacy.

## **Technique, Conceptualization, and Imitation**

To create is to act on an inspiration and desire to imitate. Imitation inspires conceptualization. Imitation also facilitates the necessary skills required to develop your own unique artistic concept. Performance is ordered to this integral end; to *express your musical conceptualization*, not a technique.

## **Rules**

Play what you clearly hear.  
Always play by ear.  
Perform; do not practice.  
Practice; do not perform.  
Tonality is gravity; it forms all technique.  
Have a goal; Make a plan.  
Perform "practice cell" without stopping.  
Express a meter; not a tempo.  
Rest as much as you play.  
Express music on every repetition.  
To repeat is not to fail.  
Play the way that works for you; Solve.  
Develop through habits of ease.  
Be consistent in your effort, persist.  
Think for yourself.  
Do not be afraid.  
Love what you are doing.

- Pedal Range:** C4
- Focus Pedal Range:** C4, D4, E4, F4, G4, A4, B4
- Low Range:** C4, D4, E4, F4, G4, A4, B4, C5
- Middle Range:** C5, D5, E5, F5, G5, A5, B5, C6
- High Range:** C5, D5, E5, F5, G5, A5, B5, C6

The 7th harmonic (B3) is marked with a flat, and the 8th harmonic (C4) is marked with a sharp. The ratios 1:1 through 8:1 are written below each note.

Detailed description: Four musical staves showing the chromatic range of harmonic series ratios. Each staff is divided into two sections by a double bar line. The first section shows the notes for a given ratio (e.g., 1:1, 2:1, 3:1, 4:1, 5:1, 6:1, 7:1, 8:1) with their respective accidentals. The second section shows the notes for the next ratio, with brackets indicating the chromatic range between the two ratios.

## The Seven Bugles & The Harmonic Series

JC Heisler

These Seven Tiers of Heart Mind Bell© are defined by the valve combinations that reflect the acoustical properties of the trumpet and their corresponding pitches. The Tiers are repetitive as each covers a specific range of notes. For example, Tier Two is comprised of all seven valve combinations that produce actual notes on the trumpet 0, 2, 1, 12, 23, 13, 123. These produce the notes: Low C, B, (Bb/A#), A, (Ab/G#), G, (Gb/F#). The ease and centering of resonance over the entire range of the trumpet is dependent on the accurate execution of these lowest notes in Tier Two. This is why Heart Mind Bell© connects all of the following Tiers with this Tier Two.

Tier Three makes up the same fingerings 0, 2, 1, 12, 23, 13, 123. However, the corresponding pitches are: Middle G, (Gb/F#), F, E, (Eb/D#), D, (Db/C#). Tier Four is expressed with the valve combinations 0, 2, 1, 12, 23, or pitches: Middle High C, B, (Bb/A#), A, (Ab/G#). See *Below*...

The thorough coordination of tone production and flexibility attained within each Tier presents a clear and graded framework for accurate and comfortable skill building.

## First Studies

- Release the air, allowing the dynamic taper to occur as the airflow naturally dissipates at the tip of the lip revealing the top of the tone.
- DO NOT squeeze or push the air at the attack or at the end of the note.
- Play for the duration of a relaxed, comfortable, effortless, flowing exhale.
- Inhale for a natural, free release.
- Remove and replace mouthpiece, in coordination with aperture formation, at the release of the air.
- Use "who" or "pooh" attacks
- Vary tempo
- Play moderate dynamic level.
- Play Lip Tone; then Play on Horn
- Play these in a manner in which benefits YOU; vary soft/loud, short/long, tongue/slur, fast/slow, rhythm/meter.

## First Studies

- Release the air, allowing the dynamic taper to occur as the airflow naturally dissipates at the tip of the lip revealing the top of the tone.
- DO NOT squeeze or push the air at the attack or at the end of the note.
- Play for the duration of a relaxed, comfortable, effortless, flowing exhale.
- Inhale for a natural, free release.
- Remove and replace mouthpiece, in coordination with aperture formation, at the release of the air.
- Use "who" or "pooh" attacks
- Vary tempo
- Play moderate dynamic level.
- Play Lip Tone; then Play on Horn
- Play these in a manner in which benefits YOU; vary soft/loud, short/long, tongue/slur, fast/slow, rhythm/meter.

The image displays a musical score for brass instruments, consisting of ten staves of music. The notation includes treble clefs, various note values (quarter, eighth, and half notes), rests, and accidentals (sharps, flats, and naturals). Phrasing is indicated by slurs and breath marks. Rehearsal marks are present: a circled '20' above the second staff, a circled '21' above the sixth staff, and a circled '22' above the tenth staff with the text 'Part V' to its right. The music is written in a single system across the ten staves.

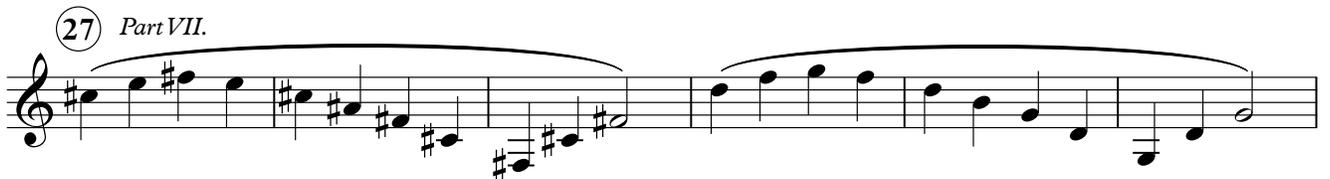

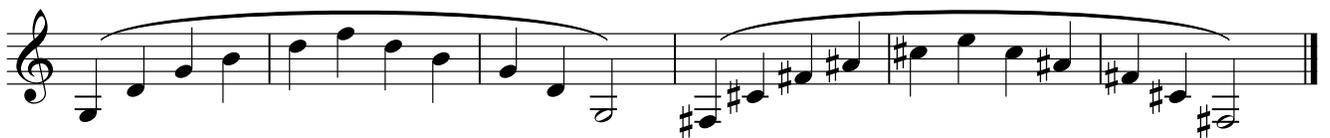

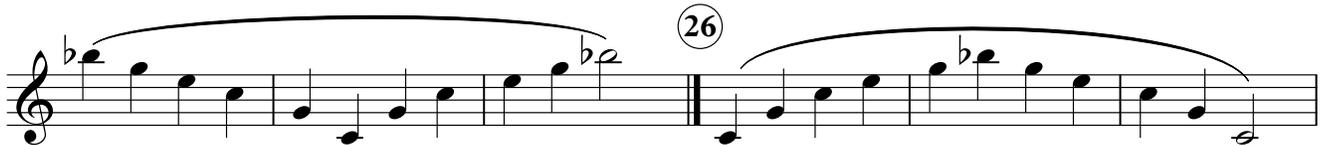

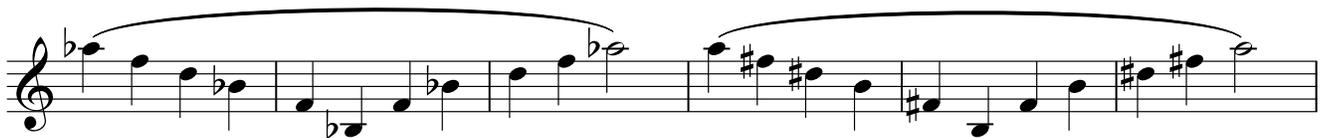

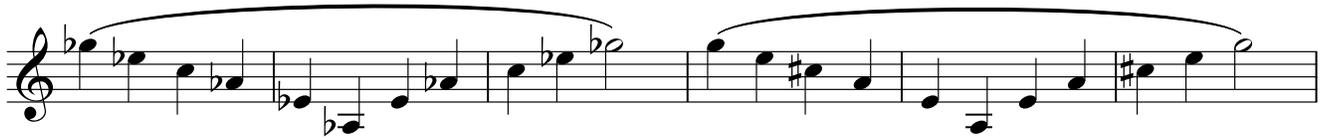

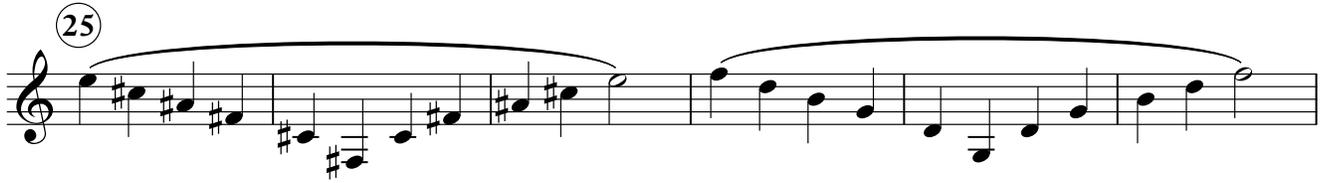

23 Part VI.

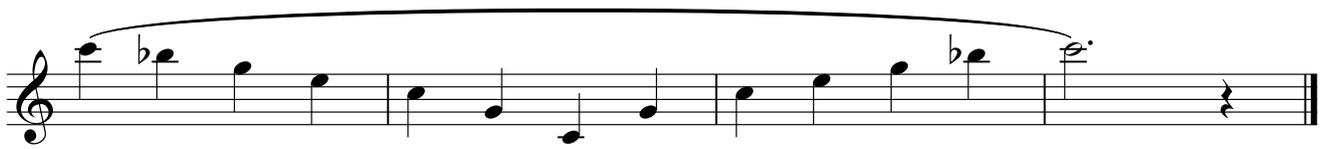

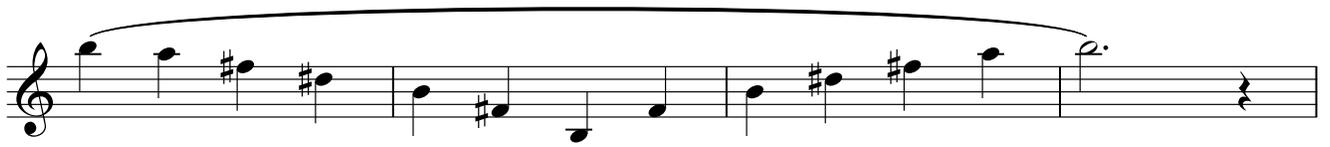

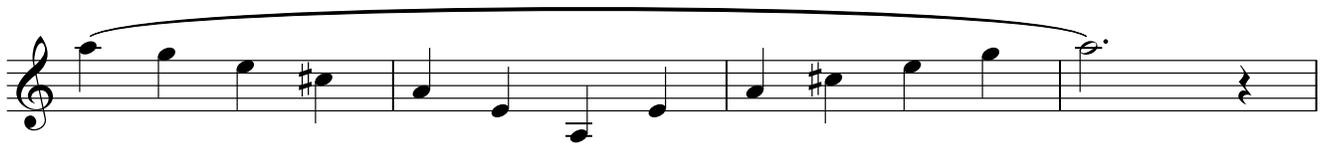

24

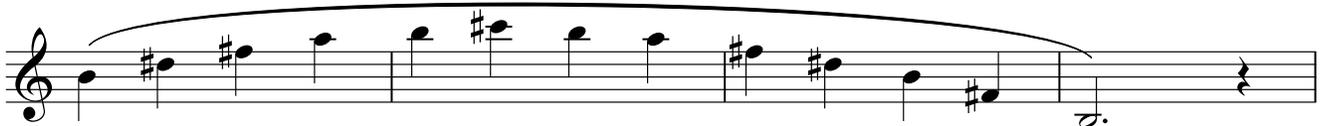

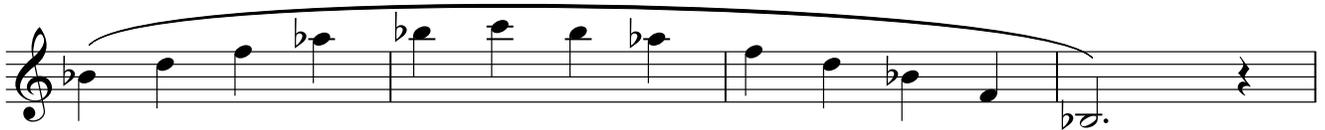

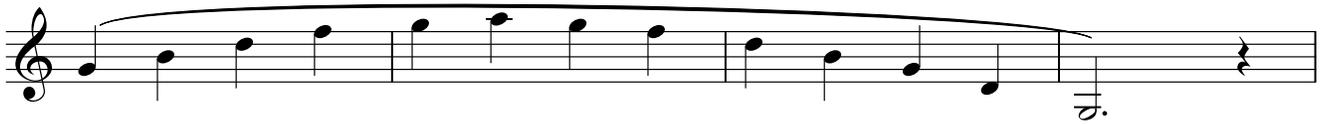

The image displays a musical score for brass instruments, consisting of ten staves of music. The notation includes various notes, rests, and accidentals (sharps, flats, and naturals). The score is organized into two main sections, each starting with a circled measure number: 28 and 29. The first section begins with measure 28 and continues through the sixth staff. The second section begins with measure 29 and continues through the tenth staff. The music features a variety of rhythmic values and melodic lines, with some measures containing multiple notes beamed together. The key signature and time signature are not explicitly shown, but the notation suggests a common time signature and a key signature with one flat.

31 Part VIII.

32

Musical score for exercise 32, consisting of eight staves of music. The first staff begins with a circled number 32. The music is written in treble clef and features a long slur spanning across all eight staves. The notes are quarter notes, and the accidentals vary across the staves, including natural, flat, and sharp signs.

33 Part IX.

Musical score for exercise 33, consisting of two staves of music. The first staff begins with a circled number 33 and the text "Part IX." The music is written in treble clef and features a long slur spanning across both staves. The notes are quarter notes, and the accidentals are sharps.

The image displays five staves of musical notation, each representing a different brass instrument part. Each staff begins with a treble clef and a key signature of one flat (B-flat). The notes are as follows:

- Staff 1:** B-flat, B-flat, C, C, B-flat, B-flat, B-flat, B-flat, A, G, F, E, D, C, B-flat.
- Staff 2:** C, C, C-sharp, C, C, C, D, D-sharp, E, D, C, B-flat, A, G, F, E, D, C.
- Staff 3:** B-flat, C, C, C, B-flat, B-flat, C, D, E, F, G, A, B-flat, A, G, F, E, D, C, B-flat.
- Staff 4:** C, C-sharp, C-sharp, C, C, C, D-sharp, D-sharp, E, D, C, B-flat, A, G, F, E, D, C.
- Staff 5:** C, C, C, C, C, B-flat, C, D, E, F, G, A, B-flat, A, G, F, E, D, C, B-flat.

Each staff contains a long slur that encompasses the entire sequence of notes, indicating a single breath or a continuous melodic line. The notes are primarily quarter notes, with some half notes and a final whole note in each staff.
